

# PEARSON PRENTICE HALL Teacher Online Access Pack

with access to all your  
online resources

## Product Access Code:

If you already have a SuccessNet account, you can add product by going to the My Account page after logging in.

If this is your first SuccessNet product, access your online resources by registering.

1. Go to PHSchool.com
2. Click the Log In button.
3. Click the Register button.

For help with registration, click on the Help link or go to:

The In-Service On Demand site provides video-based tutorials that will show you how to use all of your online resources.

Please note that student online access to the resources may require a separate purchase of student licenses. For more information, contact your Prentice Hall sales representative or customer service at 1-800-

## Special Features of Prentice Hall

### Interactive Textbook

- Complete student text online
- Interactive glossary with audio in English and Spanish
- Active  activities

### Navigating the Interactive Textbook

**Contents Tab:** Clicking on the Contents button displays a Table of Contents menu. This menu is your primary navigational tool for accessing the content within the online text. Open this menu to select a chapter or other portion of the text you wish to view.

**View By Tab:** This menu is a direct link—by type of resource—to interactive and media elements within the online text.

**Page Buttons:** Use the "Page" buttons to navigate through the text. The white "page" box shows the number of the currently displayed page. The arrows on either side of the white box will take you to the previous or next page from your current location.
